

Website Name: Behnke's Goods

Description of the Topic: Behnke's Goods is a simple online store where people can buy different products like electronics and home goods. The website will be easy to use, so customers can quickly find what they need. It will also show clear product details and fair prices. The goal is to make shopping online easy and fun for everyone. We want to give customers a great experience and help them find what they need.

List of Page Names:

1. Home
2. About Us
3. Products
4. Contact Us
5. FAQ
6. Cart
7. Checkout

Description of the Data to Be Stored, Manipulated, and Viewed: We will store information about products, such as their name, price, description, and how many are in stock. Customers will be able to browse this information, but I'm not sure if I will be able to add a cart section.. Administrators will have special access to add or remove products and update stock. The website will also save customer orders and make sure their account information is secure.
